

## **Airport Manager's Report December 19, 2018**

- Bullpine will start cutting trees at airport next week or two.
- Need access to cut trees on Industrial Authority Development property. Email sent to Chuck Leonard.
- Mike Barta & Sons scheduled to replace filters 100LL filters on fuel farm in January.
- Trail subpoena from United States District Court of New York sent to the airport. The subpoena is requesting for any travel information on several individuals listed during January 1, 2011 to December 31, 2013. I spoke to Vern Moyer and the names listed are not familiar.
- Christmas party at Airport Friday December 21<sup>st</sup>. Moyer Aviation is setting it up in the hangar. There will be plenty of food for all. Stop by the Airport this Friday December 21<sup>st</sup> at noon.
