

Pocono Mountains Airport Authority

Manager's Report

January 17, 2018

- The electric service for the old ASOS site has been decommissioned and the account to MPO has been closed.
- **The Board will now meet at the M&W Hangar at MPO, at 3:00PM**

The Authority's meeting dates for 2018 will be:

1/17, 2/21, 3/21, 4/18, 5/16, 6/20, 7/18, 8/15, 9/19, 10/17, 11/21, & 12/19.

- E. F. Possinger & Sons will begin brush cutting along runways 13-31 later this week. Dave and I met with the foreman to review the areas to be cut.
- The DEP industrial permit application and compliance plan is in its final form and will be ready to submit following Adam's final review and comment.
- The Television in the airport lobby died and was replaced.
- The computer monitor at the pilot's station in the lobby died and was replaced.
- I met with Mr. David Jackson, Vice President of Sales for the Pocono mountains Visitors Bureau. We had a nice visit, exchanged some thoughts and ideas, and subsequently we now have a link with the Visitor's Bureau Website: visit this link.
