Public Comment:

Coolbaugh Township Fire Co. Mr. Bill Weimer, Fire Chief of the Coolbaugh Township Fire Co, believes it would benefit the airport to have a foam tote trailer and foam on site in case of a fuel spill. The board agreed there is a greater risk of fuel spills with highway accidents than accidents at the airport. It would benefit the community if the tote trailer and foam were located at a fire company. Dave Moyer and Jim Decker will prepare a letter of support for the fire company and provide it to the appropriate individuals.

Vladimir Moskalev: Mr. Moskalev would like to operate a flight school and provide air tours at the airport. The board would like to review Mr. Moskalev's business plan before making any decisions.
