

Airport Manager's Report Sept 18, 2019

- 1. Airshow**
 - a. We found David Schultz Airshows to be very disorganized.**
 - b. The air boss that worked the airport didn't know what he was doing. I got very frustrated trying to work with him but got over that when I started to ignore him and do things as I saw fit.**
 - c. Fuel sales to airshow aircraft**
 - i. Jet A civilian = 1230**
 - ii. Jet A military = 4358**
 - iii. 100LL = 1917**
 - d. We did a lot of prep work and had some purchases to get ready.**
 - i. Oxygen set up (Track paid for this and we keep it to offer oxygen service)**
 - ii. Meter more hose for red truck transfer tank**
 - iii. New fuel hoses for 100LL trailer (we needed them)**
 - iv. Chalks (but we needed these too)**
 - e. All in all I think we did well. + \$13K**
- 2. North side fence is going in.**
- 3. Starting fall clean up and prep for winter.**
