Airport Manager's Report

December 15, 2021

1. In the beginning of December, I plowed twice and all of the equipment is operating properly.
2. The Jet A+ fuel truck had a very minor leak on one of the fuel pumps. I contacted Hadwen Fuller at World Fuels, a tech was sent to replace o rings and the problem was resolved.
3. Fuel prices stabilized keeping our prices the same since October.
    - **Av Gas 100LL - $5.71.**
    - **Jet A+ - $5.11.**
