

Airport Manager's Report

April 20, 2022

- 1.** The Airport no longer has oxygen services; we will save \$400.00 per year just from bottle rental. we can always obtain a delivery if needed for an event.
- 2.** Mowers are ready to go and were fully serviced.
- 3.** WB electric worked on the PAPI lights on runway 5 and the windsock adjacent to 31. They will be back to finish the repairs.
- 4.** Western express has not gotten back to me in a month regarding the gate repair, next possible move?
